

BOBBY BHUGWANDIN PROMOTED TO PLASCON TECHNICAL DIRECTOR

Bobby Bhugwandin, chairman of SAPMA's Technical Committee, has been promoted to the post of Technical Director at leading SAPMA member, Plascon.

Bobby, who has now completed a decade of service at Plascon, started his career at the paint manufacturer as Senior Development Manager: Exterior Coatings before his promotion in 2009 to executive level. Progressively, from 2010 to 2016, he then assumed responsibility for Industrial, Wood, Protective Coatings and Auto Refinish as Plascon Senior Executive: Development.

In 2016, he left the company's Technical operations to join Plascon Kansai Colourants section as General Manager

before returning to Plascon Technical leading to his appointment as Technical Director for Plascon in this year.

Bobby has served as the chairman of the SAPMA Technical Committee from 2013 to 2015, and returned to lead the committee in 2017 when he returned to Plascon Paints.

In total, has over 23 years' experience in the coatings market, having previously worked for Dulux and Synthomer.

SAPMA appreciates all his important and selfless contributions to SAPMA's important Technical Committee and wishes him well in his new elevated career post.
